CHART Field Trip Agreement

- ✓ Through the efforts of volunteers, Christian Homeschool Association of Regional Thomasville, (CHART), provides planning and scheduling of group field trips in which individual members and member families may participate. Occasionally, the coordination of pre-payment of entrance fees, program fees, or other such fees to a particular venue on behalf of participating individual members and member families is necessary or desirable as part of the planning and scheduling process, such that individual members and member families may participate in specified programs and/or discounts available at a field trip venue, or to comply with the request of the field trip venue. Participation in any field trip is at the sole discretion of the individual member or member family.

- ✓ All expenses associated with a field trip, including but not limited to transportation expenses, parking fees, admission fees, and program fees are the sole responsibility of the participating individual member or participating member family.

- ✓ At all times while traveling to or from a field trip venue and while present at a field trip venue, individual members and member families, as well as the children of same, are under the supervision and control of the individual member or member family, only, or the designee of the individual member or member family.

- ✓ Neither CHART, the Field Trip Coordinator, Assistant Field Trip Coordinators, or other CHART volunteers are liable or responsible for the transportation, supervision or safety of individual members, member families or that of the children of individual members or member families while traveling to or from a field trip venue or while present at a field trip venue.

- ✓ On occasion, advance payment of entrance fees, program fees or other such fees may be necessary or desirable in order for individual members or member families to participate in the programs or discounts available at a particular time or particular venue, or to comply with the request of the field trip venue. On such occasions the participating individual members and/or participating member families will provide CHART with such fees in advance; from such pre-paid fees CHART will make a combined payment of fees to the venue on behalf of the participating individual members and/or participating member families. Such payment by CHART on behalf of the participating individual members and/or participating member families will not create any liability or responsibility on the part of CHART, the Field Trip Coordinator, Assistant Field Trip Coordinators, other volunteers, individual members or member families of CHART for the transportation, supervision or safety of participating individual members or participating member families, or the children of same, while traveling to or from the field trip venue or while present at the field trip venue.

- ✓ From time to time, the individual member(s) and/or member families may participate in arrangements between themselves for the transportation of their children to and/or from a field trip venue in the absence of one or the other of the individual members or member families. In such cases one individual member or member family thereby makes the other individual member or member family their designee for the purposes of transportation and supervision of the children of the absent individual member or absent member family. As such, the designee assumes complete responsibility for the transportation and supervision of the children of the absent individual member, or absent member family, at all times during travel to or from the field trip venue and while the children are present at the field trip venue. These arrangements are the sole responsibility and liability of the individual member(s) and member families participating in such arrangements. Neither CHART, the Field Trip Coordinator, Assistant Field Trip Coordinators, or other volunteers assume any responsibility or liability for these arrangements, or for the transportation, supervision or safety of the children of absent individual members or absent member families during travel to or from the field trip venue or while the children are present at the field trip venue.

This agreement will be governed by the laws of the State of Georgia and if any portion thereof is held invalid, it is agreed that the balance will, notwithstanding, continue in full legal force and effect. This agreement will be binding upon me, my heirs and assigns, as well as my minor children, and their heirs and assigns.

I HAVE READ AND UNDERSTAND THIS DOCUMENT and do voluntarily sign it. I do further agree that no oral representations, statements, or inducements apart from the foregoing written agreement have been made.
